

How does Carico's 10 Stage Air Purification System Compare?

We compared Carico's Air Purification Systems to different air cleaners, consoles, table models and central systems (some selling for up to \$1,500 and more)!

<p>No other air filter matched Carico's Nutri-Tech patented system which utilizes 5 technologies and addresses all three contaminate groups:</p> <ul style="list-style-type: none"> ● Particulate - (pollen, dust, pet dander, etc.) ● V.O.C.'s - (gases, chemicals, odors, etc.) ● Bio-aerosols - (bacteria, mold, fungi, etc.) <p>● Indicates feature is included ● Indicates a similar feature is included</p>		<p>STAGES</p>
